Which Alternative do you feel would be best for the East-West Connection? (please circle one)

**A1 (Widen Duvall) Alternative**

**A4 (South of Duvall) Alternative**

**A3a (Far South) Alternative**

Which Lockbourne-Eastern Road Alignment do you feel would be best for the Pickaway East-West Connector Project? (please circle one)

**Existing Alignment**

*alignment along Lockbourne-Eastern (including gated segment on Airport property)*

**Eastern Realignment**

*alignment along Lockbourne-Eastern for 0.5 mile from Duvall Road where it turns north and east to connect with a proposed extension of Rickenbacker Parkway*

Lockbourne-Eastern Road is proposed to be widened to 4 lanes. Which widening do you feel would be best for the Pickaway East-West Connector Project? Please note that the relocation impacts have been estimated for the two variations we received following the public meeting. It is important to note that all other environmental impact areas are equal for each of these options. (please circle one)

**Widen East** - *Previously listed (requires the relocation of 3 homes)*

**Widen West** - *Would require the relocation of approximately 13 homes*

**Widen Equally** - *Would require the relocation of approximately 9 homes*
